17th June 2009

Dear Parents,

Collection of Levy

We'd like to inform you that the school is still waiting for the confirmation of the proposed increase of school levy from the EDB. For the time being, we will collect the old levy (additional annual fee \$300) for "school development projects and the maintenance and operation of above-standard school facilities". The fee will be collected on 24th June 2009 by "Autopay" from parents' bank account which is designated to pay School Fee/Tong Fai.

Students who pay School Fee/Tong Fai by "Local Education Allowance" should send a cheque to the School Office (Name of drawee: La Salle College) on or before 24th June 2009.

We will keep you informed of the development of the matter.

Thank you for your continued support and God bless you all.

Yours sincerely,
Wong Yen Kit
Principal
