Dear Parents and Students,

In view of the recent outbreak of H1N1 influenza in the community, we urge the students to observe the following measures when participating in the post-examination activities and tests (e.g. TSA, F.3 supplementary test) that have been planned from 22/6 to 13/7.

- (1) Take body temperature before coming to school and complete the temperature record form;
- (2) Put on a face mask during all activities;
- (3) Refrain from coming back to school if there are symptoms of influenza;
- (4) Observe stringent personal hygiene practice.

On a precautionary note, the school has decided that the Annual School Concert (3/7) and F.1 Fitness Programme (29/6 to 3/7) will be cancelled.

Thank you for your attention.

Sincerely,

Wong Yen Kit  
Principal
