

Acknowledgement of Donation to The Gateway

The editors of The Gateway wish to acknowledge receipt of HK\$64,217.2 from the students and parents of La Salle College, part of the proceeds collected for the Dress Casual Day in December 2009. This is indeed a great encouragement to us.

We send hard copies of The Gateway to Lasallian parties all over the world and in this way we hope to let them know more about our Lasallian Mission in Hong Kong as well as giving them a taste of Oriental culture in general.

Subject: Re: FW: x'mas donation

Dear Br. Patrick

In the account of the La Salle Foundation dated January 25, 2010 the amount 268,264.05 that has been credited. This is equivalent to US \$8,194.12 that you have sent me.

This amount will be used to help pay the salaries of the 10 teachers that devote themselves in the Bamboo School.

Here I send you an attached file giving the latest information on the Bamboo School. You can also find more information at the www.bambooschool.tk. All Lasallians who visit this school are astonished at the good order, discipline and diligence of our 231 students. We have quite a few difficulties with the authorities until they recognize it as a proper school in an area which is sensitive to national security.

In the name of the La Salle Foundation, of the teachers and students of the Bamboo School I would like to thank you first of all, and then to all the generous contributors to this generous donation. Myself and the students of the Bamboo School will remember all of you in our prayers.

In La Salle
Br. Victor Gil Munoz,
Bursar of La Salle Foundation
Manager of the Bamboo School project
